

US 41 Project: Winnebago County construction

Construction in Winnebago County will occur from 2009-2014 over 17 miles of highway 41 from WIS 26 to Breezewood Lane. This stretch of highway includes a new eight-lane Lake Butte des Morts Causeway. This portion of construction also features the addition of 16 roundabouts and the reconstruction of four interchanges, including the WIS 21 and the US 45/US 41 interchanges. For additional information about Winnebago County construction projects see the detailed project briefs below.
